## LITTLE SPRINGS

DEANSIDE

The vision for Little Springs is one where residents can live healthily, close to recreational amenities and in a haven for families.

Little in name, yet big on opportunity - Little Springs is surrounded on three sides by Kororoit Creek, a 52km long watercourse that rises in the outer north-western suburbs of Melbourne and gently winds its way to connect with the waters of Port Phillip Bay.

Homeowners within The Yarra release will, therefore, enjoy direct access to this valuable, natural asset, which is planned to become one of Melbourne's most popular and well-utilised waterways.
